Education:

The University of Texas at Arlington - May 2010

Bachelor of Arts, Communication Technology

3.806 Overall GPA

4.0 Major GPA

Work Experience:

Front-end Developer

BuildASign.com (March 2011 - Present)

Worked as part of a small team. Responsible for hand-coding websites, site features and promotion/transactional emails.

Junior Front-end Developer

Liaison Resources (March 2011 - Present)

Worked a 7-month contract at the Texas Association of School Boards. Hand-coded landing pages and emails. Contract included some prototyping using jQuery.

Front-end Developer

Freelance (May 2010 - Present)

Freelance front-end developer working on mainly short-term projects. Work included HTML, CSS, JS and a small amount of PHP.

Sales Associate

The Home Depot (Summer 2007 & Summer 2008)

Worked directly with customers. Responsible for educating customers on numerous products. Met deadlines without managerial oversight.

Objective:

To join a team of passionate people where I can apply myself and my skills. To continue to better myself by taking on greater challenges.

Skills

Languages / Skills:

XHTML/HTML5, CSS2.1/CSS3, JavaScript, jQuery, DOM, Web Performance, Adobe Photoshop, Adobe Illustrator

Operating Systems:

Mac OS X, Microsoft Windows

Honors:

7-time Dean's List Member

Graduated Summa Cum Laude

Tidbits:

I'm a Twitter fiend (@jcoleman)

I **love** music.

Sports are great! (**Hook 'em!**)

I'm kind of an Apple fanboy. 🍏
